

REMARKS

This is in response to the Office Action mailed on 1/30/07. Claims 1 and 65-88 were pending in the application. Of the above claims, claims 69-84 were withdrawn from consideration. The Examiner allowed claims 85-88, and rejected claims 1 and 65-68.

With the present response, claims 1 and 65-68 are cancelled, claims 89-98 are new, and the remaining claims are unchanged.

The new claims are all dependent on the allowed independent claim 85. They are all well supported by the original specification and figures, which have not been amended. For example, the claim 92 limitation comprising adjusting the aspect ratio is disclosed in the embodiment described on page 38 of the specification.

The applicant respectfully requests that the Office consider and allow claims 89-98.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
